Dear Parents/Carers,

We have had an increasing number of parents who arrive at school to speak to a member of staff without an appointment. This inevitably causes some upset if the member of staff is unavailable due to other commitments. To avoid this, please call school ahead of any visit to arrange a meeting. Our support/pastoral staff have multiple meetings and commitments every day; whilst they always do their level best to accommodate you, they do need advance notice of any visits or meetings.

Thank you for your understanding and cooperation

The Conscious Community

What is the conscious community?
Every person in our Federation – including you and all staff – has an important responsibility. Part of it is to be the best you can be. To do this you need to be aware of all that you do and feel; you also need to be aware of what others are doing and feeling too. This is what being in a conscious community is all about.

Conscious = Aware Community = All together

How do I make sure I am part of this?
By thinking about both your actions/feelings and the actions/feelings of others through 3 important values:

<h3>Respect</h3> <ul style="list-style-type: none">Celebrate your skills and talentsRecognise what makes you greatBe proud of what you achieveCelebrate other people's skills and talentsRecognise what makes other people greatBe proud of what other people achieve	<h3>Resilience</h3> <ul style="list-style-type: none">Making mistakes are great – it's how we growIt is important we always respect them and learn from themAsk yourself these questions about your actions or the actions of others...<ul style="list-style-type: none">Why do I/they feel this way?Did I/they handle this situation in the best possible way?What could I/they do to improve the situation?Did I/they do the best I/they could?What can we learn from this situation?How can we move forward positively?	<h3>Relationships</h3> <ul style="list-style-type: none">Show a good understanding of yourself and others by knowing what inspires you both, what you want, your beliefs, your needs and what can cause you and them to feel a certain way.In situations ask yourself and others...<ul style="list-style-type: none">What is my/their point of view?What are my/their reasons?How are I/they feeling?What are I/they bringing to this situation?

In a conscious community...

We are open	We are honest	We listen
We ask questions	We speak up	We respect privacy

Our Mission Statement

We value and respect everyone within an atmosphere of Christian love. Our welcoming community builds strong relationships and is dedicated to supporting everyone to flourish academically, emotionally, socially and culturally through an excellent and engaging curriculum.

Values

Our three R's are incredibly important to us. They represent qualities we believe everyone can identify with, regardless of age or role in our conscious community. They are the backbone to the conscious community as a whole.

RELATIONSHIPS

Attendance

We prioritise the attendance of all children at our school and recognise the very strong link between attendance and academic success.

When you register your child at our school, you have a legal duty to ensure that your child attends everyday that the school is open except in a small number of circumstances such as being too ill to attend or being given permission for an absence in advance (not holidays).

We will work together to help overcome any attendance issues.

Wellbeing

We acknowledge that mental health and wellbeing is of central importance and intrinsic to our lives.

We believe having a mentally healthy community is about being able to work together through any challenges and that everyone is feeling supported, heard, accepted, valued and empowered.

It is of paramount importance that if there is anything you feel is affecting your child's wellbeing or educational experience that you get in contact with us.
