

Dear Parents/Carers,

As we approach the end of the year, I wanted to write to thank you for your continued support throughout 2024.

It has been an incredibly busy year with so many positive things going on across the Federation - performances, school trips, topics and visitors to name but a few! Even though it has been busy, supporting the children to flourish by providing them with an enriching curriculum and wider opportunities has been our absolute joy.

We feel very lucky to have such wonderful children across the Federation and supporting them in their development is our life's work and privilege.

I want to take the opportunity to thank the incredible staff team for their work, care and dedication to the children. I really am very fortunate to have such a united team.

As we look towards next year, we have many further opportunities planned for the children and aspirational curriculum experiences all underpinned by our Conscious Community.

But for now, I hope you all have a very Happy Christmas and I send my best wishes for a happy, healthy and hopeful 2025.

Merry Christmas!

Mrs Grainger
