

Staff Acceptable Use Policy Agreement

New technologies have become integral to the lives of children and young people in today's society, both within schools/academies and in their lives outside of school. The internet and other digital information and communication technologies are powerful tools, which open up new opportunities for everyone. These technologies can stimulate discussion, promote creativity and stimulate awareness of context to promote effective learning. They also bring opportunities for staff to be more creative and productive in their work. All users should have an entitlement to safe access to the internet and digital technologies at all times.

This Acceptable use Policy is intended to ensure:

- That staff and volunteers will be responsible users and stay safe while using the internet and other communications technologies for educational, personal and recreational use.
- That school systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.
- That staff are protected from potential risk to their use of technology in their everyday work.

The school will try to ensure that staff and volunteers will have good access to digital technology to enhance their work, to enhance learning opportunities for pupils learning and will, in return, expect staff and volunteers to agree to be responsible users.

Acceptable Use Policy Agreement

I understand that I must use school systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the systems and other users. I recognise the value of the use of digital technology for enhancing learning and will ensure that pupils receive opportunities to gain from the use of digital technology. I will, where possible, educate the young people in my care in the safe use of digital technology and embed online safety in my work with young people.

For my professional and personal safety:

- I understand that the Federation of the Church Schools of Shalfleet & Yarmouth will monitor my use of the school digital technology and communications system in line with Data Protection and E Safety Policies.
- I understand that the rules set out in this agreement also apply to use of school equipment out of school, and to the transfer of personal data (digital or paper based) out of school, e.g. school laptops/memory sticks with sensitive data.
- I understand that the school digital technology systems are primarily intended for educational use and that I will only use the systems for such use.
- I will not disclose my username or password to anyone else, nor will I try to use any other person's username and password. This does not include giving passwords to technological support/e safety coordinator if support is needed.
- I understand that I should not write down or store a password where it is possible that someone may misappropriate it.

Staff Acceptable Use Policy Agreement

- I understand that I should not write down or store a password where it is possible that someone may misappropriate it.
- I will immediately report any illegal, inappropriate or harmful material or incident, I become aware of, to the Headteacher.

I will be professional in my communications and actions when using the Federation ICT systems:

- I will not access, copy, remove or otherwise alter any other user's files, without their express permission.
- I will communicate with others in a professional manner, I will not use aggressive or inappropriate language.
- I will ensure that when I take and/or publish images of others I will do so with their permission and in accordance with the school's policy on the use of digital/video images. I will not use my personal equipment to record these images, unless I have permission to do so.
- I will only use social networking sites in school in accordance with the school's policies.
- I will only communicate with pupils and parents/carers using official school systems. Any such communication will be professional in tone and manner.
- I will not engage in any on-line activity that may compromise my professional responsibilities.
- **USB's – the use of USB's is not advised, instead documents should be saved on the Google Drive.**

The school has the responsibility to provide safe and secure access to technologies and ensure the smooth running of the Federation system.

- When I use my mobile devices (laptops/tables/mobile phones/USB devices etc) in school, I will follow the rules set out in this agreement, in the same way as if I was using school equipment. I will also follow any additional rules set by the school about such use. I will ensure that any such devices are protected by up to date anti-virus software and are free from viruses.
- Where possible, I will not use personal email addresses on the school ICT systems.
- I will not open any hyperlinks in emails or any attachments to emails, unless the source is known and trusted, or if I have any concerns about the validity of the email (due to the risks of the attachment containing viruses or other harmful programmes)
- I will ensure that essential data is regularly backed up to the school server.
- I will not try to upload, download or access any materials which are illegal (child sexual abuse images, criminally racist material), adult pornography covered by the Obscene Publications Act) or inappropriate or may cause harm or distress to others. I will not try to use any programmes or software that might allow me to bypass the filtering/security systems in place to prevent access to such materials (this excludes the use of YouTube filtering disable system for education purposes).
- I will not disable or cause any damage to school equipment, or the equipment belonging to others.

Staff Acceptable Use Policy Agreement

- I will only transport, hold, disclose or share personal information about myself or others, as outlined in the School Data Policy.
- I understand that the data protection policy/GDPR requires that any staff or pupil data to which I have access, will be kept private and confidential, except where it is deemed necessary that I am required by law or by school policy to disclose such information to an appropriate authority.
- I will immediately report any damage or faults involving equipment or software, however this may have happened.

When using the internet in my professional capacity or for school sanctioned personal use:

- I will ensure that I have permission to use the original work of others in my own work.
- Where work is protected by copyright, I will not download or distribute copies (including music and videos).

I understand that I am responsible for my actions in and out of the school.

- I understand that this Acceptable Use Policy applies not only to my work and use of school digital technology equipment in school, but also applies to my use of school systems and equipment off the premises and my use of personal on the premises or in situations related to my employment by the school.
- I understand that if I fail to comply with this Acceptable Use Agreement, I could be subject to disciplinary action. This could include a warning, a suspension, referral to Governors and in the event of illegal activities the involvement of the police.

Social Networking

The requirements of this Acceptable Use Policy Agreement apply to all uses of social networking applications which are used for any school related purpose and regardless of whether the School representatives are contributing in an official capacity to social networking applications provided by external organisations.

Social networking applications include, but are not limited to:

- Blogs, for example Blogger
- Twitter
- Online discussion forums, such as netmums.com
- Collaborative spaces, such as Facebook
- Media sharing services, for example YouTube

Use of social networking applications which are not related to any school services (for example, contributing to a wiki provided by a professional association) does not need to be approved by the Headteacher. However, school representatives must still operate in line with the requirements set out within the policy.

School representative must adhere to the following Terms of Use. The Terms of Use below apply to all uses of social networking applications by all school representatives. This includes,

Staff Acceptable Use Policy Agreement

but is not limited to, public facing applications such as open discussion forums and internally-facing uses such as project blogs regardless of whether they are hosted on school network or not.

Where applications allow the posting of messages online, users must be mindful that the right to freedom of expression attaches only to lawful conduct.

The Federation expects that users of social networking applications will always exercise the right of freedom of expression with due consideration for the rights of others and strictly in accordance with these Terms of Use.

Social Networking Applications

- Must not be used to publish any content which may result in actions for defamation, discrimination, breaches of copyright, data protection or other claim for damages. This includes but is not limited to material of an illegal, sexual or offensive nature that may bring the school into disrepute.
- Must not be used in an abusive or hateful manner.
- Must not be used for actions that would put school representatives in breach of school codes of conduct or policies relating to staff.
- Must not breach the school's misconduct, equal opportunities or bullying and harassment policies.
- Must not be used to discuss or advise any matters relating to school matters, staff, pupils or parents.
- No staff member should have a pupil or former pupil under the age of 18 as a 'friend' to share information with.
- Employees should not identify themselves as a representative of the school.
- References should not be made to any staff member, pupil, parent or school activity/event unless prior permission has been obtained and agreed with the Headteacher.
- No member of staff should interact with any pupil in the federation on social networking sites.
- No Member of staff should interact with any ex-pupil of the federation on social networking sites who is under the age of 18.
- Where staff members have pupils in school and there are legitimate family links, please inform the Headteacher and this will be taken into consideration.
- It is illegal for an adult to network, giving their age and status as a child.
- Staff should be aware that if their out-of-work activity causes potential embarrassment for the employer or detrimentally affects the employer's reputation then the employer is entitled to take disciplinary action.
- Staff will not post any photos of children within the federation on social media.

Violation of this policy will be considered as gross misconduct and can result in disciplinary action being taken against the employee up to and including termination of employment. Guidance/protection for staff on using social networking.

Staff Acceptable Use Policy Agreement

I have read and understood the above and agree to use the school digital technology systems (both in and out of school) and my own devices (in school and when carrying out communications related to the school) within these guidelines.
