Equality Statement

Statement of Intent & Legal Framework

This policy outlines the commitment of the staff and Governing Body of The Federation of the Church Schools of Shalfleet and Freshwater & Yarmouth to promote equality, diversity, and inclusion in compliance with the **Equality Act 2010**, the **Public Sector Equality Duty (PSED)**, and relevant Department for Education (DfE) statutory guidance.

We actively work to remove barriers that could lead to unequal outcomes for pupils, staff, parents/carers, governors, and visitors, ensuring

equality of access to education and employment while celebrating the diversity of our local and wider community.

Equality filters through every aspect of school life and is the shared responsibility of every member of our Federation community. Every individual has the right to feel safe, secure, valued, and treated with equal worth.

Protected Characteristics

Under the Equality Act 2010, we ensure that no member of our school community faces unlawful direct or indirect discrimination, harassment, or victimisation on the grounds of:

- Age (*as an employer*)
- Disability
- Gender reassignment
- Marriage and civil partnership (*as an employer*)
- Pregnancy and maternity
- Race (*including colour, nationality, and ethnic or national origin*)
- Religion or belief (*including lack of religion or belief*)
- Sex (*interpreted in accordance with statutory guidance and legal definitions*)
- Sexual orientation

Core Pupil Rights

At the Federation of the Church Schools of Shalfleet and Freshwater & Yarmouth, we uphold that every child has:

- The right to learn
- The right to be safe
- The right to be respected

Public Sector Equality Duty (PSED) Commitments

In accordance with our statutory obligations under section 149 of the Equality Act 2010, the Federation pays due regard to the need to:

1. **Eliminate discrimination, harassment, victimisation**, and any other conduct prohibited by the Act.
2. **Advance equality of opportunity** between people who share a protected characteristic and those who do not, by:
 - Removing or minimising disadvantages suffered by people due to their protected characteristics.
 - Taking steps to meet the needs of people from protected groups where these are different from the needs of other people (e.g., making reasonable adjustments for pupils or staff with disabilities).
 - Encouraging people from protected groups to participate fully in public life and extra-curricular activities.
3. **Foster good relations** across all characteristics—between people who share a protected characteristic and those who do not—by tackling prejudice and promoting understanding, empathy, and shared values.

Operational Principles

To fulfil our statutory obligations, the Federation ensures that:

- **Equal Worth:** All learners, prospective learners, and staff members are valued equally.
- **Inclusive Education & Employment:** Safer recruitment procedures, continuous professional development (CPD), pay, and promotion practices are free from unlawful bias or discrimination.
- **Accessibility:** Physical environments, curriculum content, and communications are accessible, supported by our standalone Accessibility Plan.
- **Statutory Compliance:** We systematically conduct Equality Impact Assessments (EIAs) on key policy decisions, publish relevant workforce/pupil equality data annually, and review our Equality Objectives at least once every four years.
- **Safeguarding & Guidance Alignment:** Provisions for pupil wellbeing, Relationships, Sex and Health Education (RSHE), uniform, and single-sex provisions adhere strictly to current DfE statutory guidance and safeguarding standards.
